FOR BUSINESS CENTRAL PARTNERS

JOIN THE BIZAPPS GROWTH LAB

Here to complete, not to compete.

You stay the **Business Central** expert.
We help you bring the rest of Microsoft portfolio to your customers.

Sound familiar?

Your customers love Business Central. Now they're asking about **Copilot, Security and Azure**. Building a new practice from scratch is **expensive**, and handing your customer to another provider is **a risk nobody needs**

> **We're here to complete your offer.**

Promise BizApps Growth Lab

Powered by Promise Group.
Built for Partner Growth.

A community where Microsoft Business Applications partners unlock new business opportunities through **knowledge sharing, practical enablement, expert guidance and Partner-to-Partner collaboration.**

OUR COMMUNITY PILLARS

Grow
Turn Microsoft opportunities into real business growth.

Learn
Join webinars and workshops

Connect
Network with partners, experts and peers.

Expand
Reach beyond your local market with cross-border partners.

Succeed
Accelerate your journey and achieve long-term success.

WHAT MEMBERS GET

- Invitations to **exclusive webinars and events**
- **Partner-to-Partner** collaboration opportunities
- **International networking** and market expansion
- Guidance aligned with **Microsoft priorities and programs**

THE MISSING PIECES

You build the core. We help you complete the picture.

Microsoft Dynamics 365 Business Central

Business Central

Microsoft 365 Copilot

Presales support and **licensing guidance** for Copilot deals.

Security

Training to answer security questions with confidence.

Azure

Microsoft programs and **incentives to fund Azure projects.**
